

Student Grievance Redressal Cell

The college has a Student Grievance Redressal Cell for students, responsible for filing complaints and resolving problems in both academic and non-academic matters. It also resolves issues and problems between college and students.

Objectives:

- To create a student friendly environment in the college.
- To resolve problems and difficulties regarding academic and non-academic matters faced by the students.
- To make officials, faculty members, administration responsible and accountable in dealing with the students.
- Provide an easy mechanism to students for reporting and resolving their grievances.

Functions:

- Reporting the grievances of the students.
- Providing solutions to students with an impartial and fair approach.
- Effective and immediate redressal of students' grievances.
- Taking care of confidentiality and sensitivity of the students' grievances.
