

CAREER COUNSELLING

Career Counselling Cell at Shri Ram Singh Dhoni College was established in 2017 to help students channel their potential towards appropriate ends and make wise professional decisions. The aim is to mentor and guide the students in accordance with their aptitudes, thus opening doors for more fulfilling and gratifying jobs.

Career Counselling Cell guides the students regarding various job opportunities and competitive exams preparation. Students are encouraged to be goal oriented and at the same time the cell ensures to provide them with employment new, vacancy proformas and other significant notices. The department helps and motivates each and every individual to make better and informed decisions.

Keeping in mind the individual interest and academic orientation of each student, the cell invites spokespersons and experts from diverse fields like the banking sector, police department, local NGOs, defence services, forest department, coaching centres to name a few. Faculty members of the college are also invited to hold talks and counsel the students about the multiple career opportunity that each subject has to offer. During these sessions the students are encouraged to ask questions and clear their doubts, if any. The main objective of the cell is to hone the right attitude towards studies, self and work among students and at the same time promote better performance in curricular areas.
