

EDUSAT, stands for educational satellite, was first launched in 2004 by Indian space research organization to serve in the educational sector. It was mainly intended to meet the demand for an interactive satellite based distance education system for the country. EDUSAT headquarter for Uttarakhand was established in Doon University Campus, Dehradun. In 2019, it was installed and properly worked in S.R.S.D.Govt. Degree College, Jainti (Almora) under the supervision of former principal Prof. Nar Singh Bisht. Recorded lectures for different subjects were delivered from headquarter. All the students of college are getting benefited.
